Re: Barbara Broughel v. The Battery Conservancy, et al., 1:07-cv-7755

Dear Judge Daniels:

I represent the Plaintiff Barbara Broughel in the above-captioned action.

I returned to my office today from vacation and received a letter dated April 18, 2008 from the attorney for the Defendant Weisz + Yoes ("W + Y"), which letter was endorsed by the Court on April 24, 2008.

There was apparently a misunderstanding between the attorney for the Defendant W + Y and myself as to his intent to file answering papers to Plaintiff's motion for a preliminary injunction. Defendants' answering papers are, by virtue of the Order, now due on May 3, a Saturday, and under the Local Rules 6.1 Plaintiff has until Monday, May 12 to reply.

Plaintiff's reply papers to the answer of Defendants Battery Conservancy and Warric Price are now due on May 2. Rather than have Plaintiff prepare two sets of reply papers on her motion for a preliminary injunction, Plaintiff requests that her reply papers be consolidated and submitted in response to all Defendants on May 9, 2008. This is no later than the date originally scheduled for the last reply before changes in the motion briefing schedule to accommodate various parties.

Thank you in advance for your consideration and patience.

Respectfully submitted,

*Barbara Hoffman*
